Gentlemen:

The Board members of the Alliance of the Unitarian Church, Montclair, New Jersey, (formerly the Women's Alliance) have asked me to write to you in regard to including Clara Barton in the Hall of Fame.

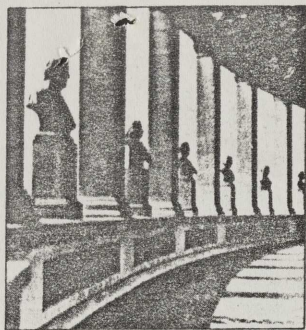

It would seem that Clara Barton was one of the most distinguished women in American History. Outstanding as the founder of the American Red Cross and of the first public school system in New Jersey, she was also noted for her magnificent humanitarian work in many fields.

Her work as a Civil War nurse, which brought her numerous awards and citations, we feel also makes her eligible to be in the Hall of Fame. Her inclusion there seems most appropriate in the Bicennial Year and the International Decade of Women.

We hope that you will give consideration to this suggestion. Thank you very much.

Very truly yours,
(Miss) *Irma Rose*
